## Kind Curious Questions

Q: What is Circle of Friends Camp?

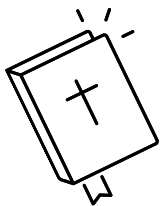

A: Circle of Friends Camp is a summer camp at Lost Valley Bible Camp that kids and adults who have disabilities can go for a week to meet new friends, play games, learn about Jesus and have fun.

Q: What does it mean that Haelyn was baptized?

A: When someone decides to follow Jesus, baptism is a way to show others that they are a Christian.

When we are baptized, we go down into the water and then come back up again. This is a picture of what Jesus has done for us. Going under the water reminds us of leaving our old life behind, and coming back up reminds us of our new life in Christ.

Baptism doesn't make someone a Christian or wash away their sins. Jesus does that when we put our faith in Him. Baptism is a way to publicly say, "I believe in Jesus. I am a Christian, and I want to follow Him!"

### Haelyn

This year, Haelyn came to Circle of Friends Camp to serve as a volunteer. She spent her time helping campers, making friends, and being part of camp.

But while Haelyn was serving others, God was doing something special in her own heart.

On Tuesday, Haelyn came to me and said, "I have to be saved."

That evening, Haelyn gave her life to Jesus! Then, on Thursday evening, she was baptized! What a beautiful reminder that Jesus is for everyone.

Our ministry has a special focus on people with disabilities, but that doesn't mean they are more important to Jesus than anyone else. *Every person matters to Jesus.* He loves people with disabilities, and He loves people without disabilities.

We want everyone to have the opportunity to know Jesus, experience His love, and discover that they are invited to be part of His family. Haelyn came to camp to serve others, but while she was serving, Jesus met her, too.
